What is Winter Welcome?

Winter Welcome is Syracuse University’s mandatory new student orientation program and serves as the gateway to your SU experience. During Winter Welcome you’ll participate in academic, educational, and social programs designed to make your transition seamless and fun!
**WINTER WELCOME INFORMATION**

**Schedule Information**
This guide includes all the events that will take place from Thursday, January 11, through Monday, January 15, and into the spring semester. We have marked all events you are required to attend with the mandatory symbol.

Some activities will be specific to your individual school and college, and others will be university-wide. All activities are for all new undergraduate students; this means first-year, transfer, and Discovery students.

**Winter Welcome Headquarters**
Have a question? Need more information? Don’t know where to go? Come to Winter Welcome Headquarters. Winter Welcome Headquarters is the information and problem-solving center for all of Winter Welcome, located in the Schine Student Center, room 302.

**Special Assistance**
Syracuse University is committed to equal access for students with disabilities. If you are a student who requires disability accommodations, please contact the Office of Disability Services at 315.443.4498.

If you are a family member and would like to request disability-related accommodations during Winter Welcome, please contact the Office of First-Year and Transfer Programs at 315.443.1012 or newtosu@syr.edu. Please make such requests as early as possible to ensure time to arrange for and provide auxiliary aids and services.

**SU I.D.**

**What is your SU I.D.?**
Your SU I.D. card is the official University identification card for every student, faculty, and staff member at SU and lets you do all the following and more:

- Gain entry to various campus facilities
- Access your meal plan
- Check out library materials
- Ride campus shuttle buses for free
- Use campus athletic facilities
- Use FOOD and PLUS funds

**FOOD Account**
FOOD is a declining balance account, which can be used in all Food Services locations (including dining centers, food courts, and vending machines) for food and non-alcoholic beverage purchases.

**PLUS Account**
PLUS is a declining balance cash account, which provides access to goods and services through your SU I.D. Card. The PLUS account can be used in campus washers/dryers, to buy tickets at the Schine Box Office and Carrier Dome Box Office, in campus convenience stores, in the Bookstore, and many more locations.

The amount you add for both FOOD and PLUS is charged directly to your student bursar bill. All meal plans come with an established amount of FOOD funds. PLUS accounts must be activated separately and take just $25 to get started. Get full details at housingmealplans.syr.edu/food-and-plus-funds.
Obtaining your SU I.D.

Before the January 9 deadline, email your photo to housing@syr.edu - so that your SU I.D. can be ready for pickup when you arrive on campus. If you emailed your photo by the deadline, your SU I.D. will be waiting for you when you check in to your residence hall or South Campus apartment. If you are commuting or live off-campus, your SU I.D. will be ready for pickup at the Housing, Meal Plan, and I.D. Card Service Center in 206 Steele Hall. SU I.D. cards will not be distributed before your check-in time.

Didn’t Email your Photo?

If you did not email your photo by the deadline, you need to visit the Housing, Meal Plan, and I.D. Card Service Center at 206 Steele Hall to have your photo taken and card made. Please remember to bring some form of photo identification with you when you visit the Service Center. View the Housing, Meal Plan, and I.D. Card Service Center hours during Winter Welcome on page 10.
